

Lorenzo Hok-A-Hin

Student of the Amsterdam University of Applied Sciences

A young ambitious student who is very eager to learn. If I want something, I work in a targeted manner and will be very motivated for it so it will be difficult to distract me. I am also very creative and I like challenges.

WORK EXPERIENCE

Taxi planner RMC taxi Amsterdam

07/2017 – 07/2019

Amsterdam, The Netherlands

RMC taxi is a taxi company that provides rides for the elderly. They provide the rides for little money so that everyone has the possibility to use the service. It is a government agency.

Achievements/Tasks

- I had to plan and facilitate the timely planning of the journeys and I was also the contact person for the clients and the taxi drivers.

Hospitality worker Horeca XL, Amsterdam

02/2015 – 04/2017

Amsterdam, The Netherlands

This company is an employment agency that provides jobs in the hospitality industry. They sent me to many places to work. Because of that I have seen a lot of the hospitality industry. I have worked in restaurants, bars and hotels. I have also had a lot of different functions like: waiter, cashier, dishwasher and cleaner.
