How did you hear about the introduction to Anthroposophy?

This course endeavors to enliven our thinking. Do you want to join in concentrated thinking work?

Can you contribute 5000 Swiss francs for the year? The real cost is much higher. Housing is not included. Whoever can pay more will make it easier for others to participate. If the price is a hardship, please ask your relatives and friends for support. If that too fails, please say so. No one should be unable to attend for lack of funding.

Have you any dietary restrictions?

Please attach separately a brief biographical description, also describing why you wish to study Anthroposophy, and what your future plans are, if any.

Please name two people who would be willing to write references for you:
