LYKKE

*Lykke means Luck -
and together we want you to be happy at
our restaurant!*

Lykke describes us as a happy and strong Team. We are Kaja and Katharina. With opening our own restaurant we fulfilled ourselves a dream we had for a long time. Since the very beginning we shared the same thought; we wanted to create something new and beautiful for Flensburg. We wanted to create a happy place for you, for our team and for ourselves. We hope to achieve this with our lovely staff, carefully presented dishes, refreshing drinks and coffee that warms body and soul.

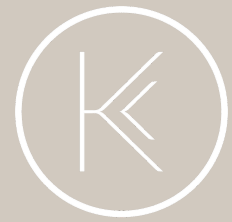

Three years ago in 2020 we started as a team of two in our 'lille Lykke' in the Norderstraße. Today we are here in Große Straße 73 joined by Janusz. Janusz is now a part of Lykke we don't want to miss.

About our food:

We receive our freshly baked bread from Soete Deern, a bakery nearby in the Norderstraße. Our milk and our eggs are also obtained regionally. Jensens fresh whole milk is from Angeln and our eggs come from the farm shop Jessen-Oxbüll from Wees.

If you have questions about allergens ask our staff to help you out!
