Monthly Letter January 2023

Münster, 09.01.2023

Dear parents and guardians of the Hermann School,

I hope you had a relaxing winter holiday, slipped well into the new year 2023 and can now start January healthy and well rested! For the coming year, I wish you good health and the happy success of all your wishes and plans that you have made for the calendar year 2023.

In the past month of December, there was still a lot to experience at Hermann School. On Thursday, 15.12.2022 we had our first joint Christmas party after 2 years of Corona break. It was a successful service in the Holy Spirit Church followed by a Christmas party in the individual classes and study groups.

The new year is now starting a little more quietly, but the first important dates are already waiting:

Today, Monday, 09.01.2023, there will be an unscheduled meeting of the school conference regarding the filling of the position of head teacher as of 01.02.2023. The meeting will start at 19:30 for all participants in the team room / teachers' room of the school. The invitation to this unscheduled school conference has already been sent to the participants before the holidays.

The possible 2nd counselling session for our 4th year will take place on Tuesday, 10.01.2023 (as possibly already agreed with the class teachers). The class teachers will contact you if further counselling is required.

This half-year, the report cards for the 4th school year will be handed out on Wednesday, 18.01.2023. Classes will end on this day for all pupils of the Hermann School as scheduled.

The children of the 3rd classes will receive their report cards on Friday, 20.01.2023. On this day the 1st half of the school year 2022/2023 will also end and classes will end at 10:45 am. The teachers will then take over the possible care of your children until the start of the OGS. There will be a separate enquiry as to which children are allowed to go home at 10:45.

As of Monday, 23.01.2023, there will be a new timetable for the change of term, which will of course be sent to you in good time. Finally, you will find all the important dates for the month of January in the attached table.

We wish you a good start into the new year 2023.

Judith Lüttikhuis (Schulleiterin)
