Soul-Essence-Retreat

South-Sardinia | 23.-30.10.2024

(in german & english language)

Remember - who you really are!
Enter unknown spaces of experience with us and
discover what slumbers in your depths and wants to be kissed awake!

What you can expect in this week:

- **6 relaxed & intensive days of deep cleansing, reconnection to your origin, healing, self-awareness & self-recognition:** with exercises and practices of letting go, of feeling, of creative expression and of becoming still inside.
- **Professional support in your process** in deepening and integrating your experiences and insights throughout your entire stay.
- **Retreat schedule:** 10 am-1 pm + 6-7.30 pm, afternoon for going to the sea, nature or other. There will be an appropriately adjusted schedule on the ceremony nights.
- **2 nights of ceremony with the sacred plant medicine from the Amazon + Rapé**
- **experience of a close to nature, supporting community:** Immerse yourself in a “holy” field of real, pure, naked, natural aliveness, which enables you
 - to free yourself from masks + musts + destructive habits,
 - to experience your natural being,
 - to release deep blockages and
 - get answers to your important life questions.
- **a preparatory individual online meeting** (see registration conditions)

Come with us on this healing & transformation journey.
Discover what wants to be lived through you.

Find clarity about what your next steps are
on your unique path & what is important for you to know!
