

## Duo PaBaMeTo - Technical Rider

Our instrumental cast:

### Torge

Clarinet  
Irish Flute, Tin Whistle  
Sopran Saxophon

### Bandik

Double Bass  
Guitar  
Cittern / Mandolin  
Banjo

### **For accoustics Gigs:**

... we dont need any technical equipment! All we need is **1x amplification on stage** for the bass amp, that we bring with us.

### **For amplified Gigs:**

... we usualy bring our own equipment. Thats all we need from you:

- **2 microphones for moderation**
- **7 XLR inputs** (4 for Bandik // 3 for Torge)
- **1x amplification on stage**

... jack & XLR cables, more inputs, DI boxes and instrument microphones would be nice to have for reserve.

Monitoring usually is not necessary.

---

If the situation is not obvious and you are not shure, if the Gig should be accoustic or amplified, just have a talk with us about the rooms and general conditions – we are happy to help!

See you soon!
