**President's Report:**

Hi All

Well after one club, face to face meeting we were back to a Zoom meeting last week and we had a fantastic turn out with 22 members on line and 1 old charter member Roland Zeidaks. Thanks very much to all those members who did tune in to listen to Roland's new initiative to help those men who are suffering from mental health issues. Roland has always been community minded and he saw the need, after having issues himself, for guys to get together and take their mind off their day to day struggles by coming along to his woodworking workshop he's setup at the back of his factory in Carrum Downs and getting their hand dirty and releasing their creativity with wood. Before Covid he was able to accommodate 8 guys per session but this of course has all been put on hold for the time being. I would hope our club will be able to lend Roland some support in the future, once things get back to normal (interesting word that 'normal' what's "normal these days.!) It was great to see Roly again even if it was on face time and I know it's one of Reesy's initiatives to reach out to some of the old members to see what they are doing with themselves these days.

It was fantastic to hear from Rob M on Friday to learn that he had been given the all clear for his Covid test, it must have been a huge load off his mind.!!!

Macca sent out his report on Finance and Fundraising for the up coming year last week and I'd ask all those within his directorship to at least contact Macca and touch base with any ideas or thoughts they have that may be of assistance going forward.

Reesy is keen to get the DG Mark Humphries on one of our Zoom meetings, for his DG visit to our club and we look forward to more info on that down the track.

It was also great to see Kinky at our meeting last week after his recent heart surgery, and congrats to Pete Richards on finally making it home after his long stint in Rehab and now awaits his next surgery on his knee.

Hope you are all safe and well, and if anyone needs anything, you know you only have to ask this group who are chomping at the bit to help.

Cheers

Shane

## Vale Peter Klaaysen:

Our great friend and Rotarian, Peter Klaaysen passed away last Sunday following a 4 year battle with Leukemia.

To us at Sunrise, Peter was the face of Wheel Chairs for Kids who have been a beneficiary of the annual Golf Day for several years.

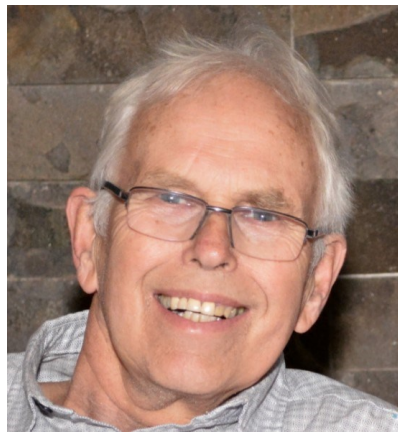

Peter had visited our Club on several occasions and was often overwhelmed with the donations that we have provided in support of his favourite cause.

Peter had an infectious personality and a passionate desire to help those who were less fortunate. His legacy will carry on which is good.

Peter's son Grant (also a Rotarian) will continue his father's work with Wheel Chairs for Kids and has already been in contact about the 2021 Golf Day.

Russell Hayes, who has accompanied Peter in past years will also be with us again in 2021.

- David McKenzie

### To all members of Rotary District 9820 :

Janne Speirs - Emergency Management Chair - is calling out for knitted goods. Obviously as the weather cools, the need for warm clothes is increasing!

What is needed: Knitted or purchased through clubs - Adult beanies, scarves in football team colours, children's knits (2 through to 10 year olds) or even 'fashion' scarves. There doesn't seem to be a huge call for babywear.

If you, your family or your club would like to assist in this important task - not just for its practical value but also the moral support of those who've lost so much then please get knitting and/or send your finished products to the address below.

Where: Mrs J Speirs, 218 Webbs Road, Gormandale 3873
