President's Report:

There's a big week ahead with Grand Final week finally with us. A disappointing season for some of us, and we Dees fans have been looking forward to 2020 since pretty early in the season! But there's plenty of excitement for the Tiger's fans amongst us. I guess this week I will have to turn to my Sydney heritage and back the Giants to win their first Grand Final. If only Toby Greene had been given 2 weeks instead of 1, I could have really gotten behind them!

A couple of big prelim finals happened at the weekend and commiserations to the Collingwood and Geelong fans. We will of course have a couple of our own Grand Final celebrations this week, kicking off Wednesday morning with guest speaker Michael Ellis along for our Finals Fever meeting – don't forget to wear your footy colours. Then on Friday, a number of us head to the MCG for the Grand Final Eve lunch. No doubt there will be a toast to Bluey that day too.

Last Wednesday's meeting saw an excellent presentation by Tracey Harris, Katie Hunter (Founder & Head Trainer) and Kimba from Dogs for Kids With Disabilities. The work and success they are delivering to disabled and autistic kids via assistance and therapy dogs was outstanding. It was a pleasure to be able to present a cheque for \$2000 on the Club's behalf to further support their efforts.

Pleased to hear Dave Morgan was quickly on the mend this week after a trip into hospital for a stent to be put in. Hoping he is back to full fitness for the Grand Final Eve Lunch! John the hyphen is of course now in St John of God Rehab for the next 2 weeks. I know a number of you are planning to drop in and see him over that time.

Thanks to everyone that bought tickets and raffle tickets for the Comedy for a Cause night on Saturday in aid of a great cause, the I Matter Foundation. Bruce also tells me he enjoyed his fish and chips for dinner. Those there on Saturday will understand that reference and the rest who come to Wednesday's meeting will no doubt learn more from the Sergeant.

Attention now turns to locking away volunteer runners/walkers for our club's treadmill challenge and turning that into sponsorship support too. Remember, walkers and runners can be members, partners, kids, grandchildren, friends. Help us to make this a great outcome for a very worthy cause, Very Special Kids.

See you Wednesday, go the Giants (he says half-heartedly),
Peter

Invocation: For good food, good fellowship and the opportunity for service through Rotary, we give thanks.
