**President's Report:**

Hi All

Wasn't it great to hear and see our 1997 exchange student from Cordoba Argentina George Grossi and his lovely wife Melina and kids. I think this is one of the massive benefits that's come out of this whole Covid thing, being able to catch up with what all these past exchange students are up to, and thanks to Mark Rees and all the members that have reached out to contact our exchange students. Let's hope George keeps his promise to join us in the future.

Thanks to Roscoe and Peter Richards for putting in a submission for a local grant, let's hope they look at our application favourably as we need the funds to be able to help out in the community with fundraising non-existent at the moment.

Cheers

Shane
