Beware of Poachers – onPeak is the Only Official Hotel Provider

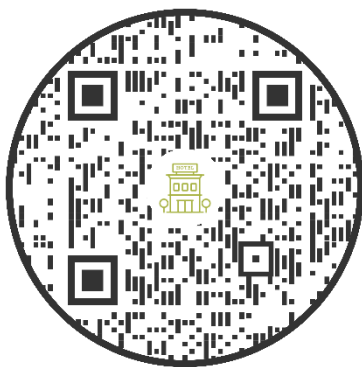

▶ **Long Message**

Warning! Important Hotel Reservation Information: onPeak is the only official hotel provider associated with Emergency Nursing 2025.

We have received reports that other companies are posing as official travel vendors for Emergency Nursing 2025. They are NOT affiliated with the show in any capacity. Unofficial vendors cannot provide the same benefits and protection onPeak offers. ENA only guarantees hotel room rates or availability during the show dates for reservations made through onPeak, the official hotel provider.

Hotel reservations made outside of the official ENA hotel block can be risky: tradeshow are often uniquely targeted by companies who can put you at risk. In the past, ENA Show participants have encountered situations with travel vendors that were either unlicensed or went out of business after taking reservations and deposits, leaving individuals stranded without hotel rooms and transportation, and resulting in lost deposits.

Please do not become a victim of these companies and their scams. If you do choose to book with a vendor not endorsed by the Emergency Nursing Show, we strongly encourage you to verify their credentials before doing business with them, and then independently confirm that your reservations have been made and will be honored by directly contacting your chosen hotel, airline and/or rental car company.
