---

## TOUR (about 1 hour)

A guided tour of our hatchery and grow-out facility. This involves a short, scenic walk to the Hatchery area. Closed walking shoes are recommended and warm clothing during the cooler months. We are at an elevation of 1100m so our climate is very different from Nundle or Tamworth. A moderate level of fitness is required to walk to the Hatchery. The walk is on undulating ground and includes some steeper parts. If you feel it's too much, we can arrange to drive you there and back.

The tour is conducted before lunch at 11am – please aim to be here a few minutes before.

### CHILDREN

Talk to us to discuss tour cost and menu options for children under 10.

This information is subject to change or there may be some variations at the time of the Lunch and Tour Package. Please let us know of any dietary requirements at the time of booking. Call 02 6769 3665 8am to 3pm weekdays.
