

2022

# Utah State Meet

The Utah State Meet is what it is all about! It is time to take on the best 6A teams in Utah, and show that our program is one of the best! This is a 2 day meet for all of the marbles, so we want to make sure our athletes are focused with no outside distractions this week. We will be competing only against the other 6A teams, with the winner in each event being declared the State Champion! This meet will have the best competition we have seen this season, so our athletes have to be physically and mentally ready to step out there and give there all. We have a few athletes and relays with legitimate chances to win a title this year! Please double check **your** entries posted for qualifiers. Time to step up!
