EAEA

EAEA is the voice of non-formal and informal adult education in Europe. EAEA is a transnational, non-profit association with 118 members in 43 countries, who are adult learning providers, national umbrella organisations, research institutes and university departments. EAEA promotes the social inclusion aspects of the European Education Area, fostering adult learning and the widening of access and participation in formal and non-formal adult education for all, particularly for under-represented groups. EAEA promotes learner-centred approaches that take people's lives into account and enable them to acquire all kinds of competences, with particular attention to basic and transversal skills.

CPIP

CPIP is an NGO built around the idea of lifelong learning as a community development instrument. Since 2006, CPIP has worked with different target groups that have the common need and desire of learning. CPIP implements European projects that promote active citizenship and democratic approach for the access to learning resources for learners with low basic skills, from remote areas, or that have distance to education. With a multidisciplinary approach, CPIP works by means of participatory research, co-production process, design-thinking approach and grass-root level involvement in co-decision. CPIP has expertise in co-development with youth and adults, game-based learning and European learning experiences.

SVEB

SVEB is the umbrella organisation of adult education and lifelong learning in Switzerland. It's an NGO representing nationwide private and state institutions, associations, representatives responsible for adult education on a cantonal level, institutions, in-house training departments and personnel managers. It also extends its reach to individuals who are active in adult education (lifelong learning). SVEB promotes cooperation among adult learning institutions, raises public awareness for lifelong learning and supports its members in their activities.
