# BALKAN SINGING

**18th January 2025**

16:15 – 18:00

Tara Yoga Studio, Basel

# Balkan singing workshop with Jelena Soro (SRB/SLO)

Ethno alchemist, singer, oboist, composer and  
music teacher.

© bojan tavčar

The Balkan region, from Slovenia to Turkey, was at crossroads of numerous different cultures and musical influences. The Balkans developed their specific sound that is very recognizable and at the same time different from region to region. Jelena's most creative spaces are improvisation and traditional music, which she perceives as a precious vault of symbolically woven knowledge that has direct access to collective patterns and archetypes.

The workshop is suited for professional and amateur singers and instrumentalists.

**Sat.18.01.2025, 16:15-18:00 | CHF 33.-**
