

Name: _____

Make your own FeelGoodMovie!

A FeelGoodMovie is a film that gives the viewer a good feeling, usually a film with a not very complex or profound theme and a good ending.

Write your story below. Use the blocks to clearly describe all the ingredients of your story.

Done with your story?

Film your story and edit it with i-movie or another editing program!

How does your story begin?

Where does the story take place?

Who's in it? Describe your characters:

What's the problem?

How is this problem solved? Who and what is needed?

How does your story end?
Describe your happy ending:

What and who do you need to film your story?

What

Who

Tips: add music/sounds/title.
