

Dr. Nasha Winters, ND, FABNO
www.drnasha.com

“Dr. Nasha Winters is a global healthcare authority and best-selling author in integrative cancer care and research consulting with physicians around the world. She has educated hundreds of professionals in the clinical use of mistletoe and has created robust educational programs for both healthcare institutions and the public on incorporating vetted integrative therapies in cancer care to enhance outcomes. Dr. Winters is currently focused on opening a comprehensive metabolic oncology hospital and research institute in the US where the best that standard of care has to offer and the most advanced integrative therapies will be offered. This facility will be in a residential setting on a gorgeous campus against a backdrop of regenerative farming, EMF mitigation and retreat, as well as state of the art medical technology and data collection and evaluation to improve patient outcomes.”
