Speaker Biography

Bryony Livesey

**Challenge Director
Industrial Decarbonisation Challenge UKRI**

Bryony is the Challenge Director (Interim) for the Industrial Decarbonisation Challenge Fund, which forms part of the Industrial Strategy Challenge Fund. She was previously Head of Research and Technology at Costain, with responsibility for the identification and development of new technology. She was a member of BEIS' CCUS Cost Challenge Task Force, a Director of the CCSA (where she co-chaired the Technical Working Group) and chairs the Independent Advisory Panel for the UKCCSRC.

Prior to Costain, she was head of the R&D centre for Doosan Babcock, where she established their global R&D Centre, focussing on clean energy. Bryony previously worked for AEA Technology, leading technology and innovation in senior management roles both in the UK and internationally.
