Monthly Letter April 2022

Münster, 29.03.2022

Dear parents and guardians of Hermann School,

Spring is finally here and we are just before the Easter vacations. Today, as usual, you can find out all the important dates and information about the Hermann School:

On **Monday, 21.03.2022** the Hermannschule organized a charity run "Hermannschule runs for peace", on the occasion of the war in Ukraine. Your children made a lot of effort to find a number of sponsors who donated an amount of money for each lap run on the Borussia sports field, so that an amount of **10.802,10€** was run by your children. Your children ran a total of 1939 times around the Borussia sports field, which is a total distance of 775 km. We, the entire school community, are incredibly proud of the commitment and dedication of YOUR children to help the children from Ukraine. I would also like to thank you, dear parents and guardians, for your support and extraordinary commitment. **MANY THANKS!!!!** The entire amount will be made available to the association "Lichtblicke e.V." in a timely manner.

In the period from **23.03. - 25.03.2022** our **3rd** grade successfully participated in the project "**Fair Streiten**". The school conference had decided in September 2021 that a part of the annually collected parent money in the amount of 1€ per child will be used for this project. We would like to sincerely thank the members of the School Board, who have made it possible to support this

project. And now the upcoming dates for the month of April:

In the period from 11 - 22.04.2022 are then Easter vacations, first school day is Monday, 25.04.2022.

From **27.04. - 29.04.2022** our **4th grade** will go on a class trip to Tecklenburg. We are very happy that this great experience is possible for the 4th grade - despite Corona. I wish the children and teachers great days in Tecklenburg with lots of fun, joy and great impressions.

From 25.04. - 05.05.2022 the half-yearly parent-teacher conferences will take place in the first three grades. Invitations will be sent to you by the class teachers.

I would also like to remind you of the most important upcoming dates in May:

On **Monday, 02.05.2019**, our **3rd Pedagogical Day** will take place, which was decided in the last school conference. Your children will be free of classes on this day - a childcare request for the children of the OGS will be sent to you.

For further information, please contact our secretary's office.

Thank you very much.

We wish you a sunny month of April and a blessed Easter holiday.
