Münster, 11.03.2022

Dear parents and guardians of Hermann School,

During the Children's Parliament held on Thursday, 10.03.2022, your children expressed the wish to do something for the children from Ukraine affected by the war.

Together they developed the idea to organize a sponsored run. We as a community of the Hermann School are happy to support this wish of the children.

Therefore, we have blocked the Borussia sports field on 21.03.2022, so that the children can run for sponsors by circling the sports field in the time from about 9:00 am - 11:30 am. The more supporters your children have on the sponsor list, the higher the amount your child can run for. Please feel free to support your children in getting grandparents, neighbors, joy, etc. involved in this great cause.

Enclosed you will receive a sponsor card with your child's name on which you can enter a monetary amount per lap run. On this sponsor card, please also note the maximum amount that you or the supporter would like to donate.

After the sponsor run on 21.03.2022, we ask you as parents and guardians to evaluate the sponsor card together with your child. Please give the sponsor card with the donation amount (FIT MONEY), in a sealed envelope and labelled with YOUR CHILD'S name to the school by 25.03.2022.

We as a school will contact Antenne Münster so that a handover date for the campaign "Lichtblicke e.V." by Antenne Münster with the sponsorship money raised will take place promptly.

With joyful expectation for the sponsor run,

Judith Lüttikhuis
