DAXTER:

(annoyed to Tony)

Dad, why do we have to watch the commercials with you?

TONY:

(annoyed)

Don't mind well on! because the advertisement doesn't mean, there's been a soccer drama on the field!

a short animation scene about a soccer match where one soccer player broke his opponent's legs, and the referee is interfering by giving the person a red card.

SOCCER REFEREE:

(mad)

Red Card! Get the fuck outa field you asshole!

the soccer player who got the red card, is peeing on the opponent, and the referee pukes.

Back to the Johnsons scene where we were.

TONY:

(annoyed)

I'm glad I've already started my Motorsports career. but sometimes, life is fucking complicated.

KENDAL:

(annoyed to Tony)

That makes scenes, dad. you lost your ex-wife who doesn't want to be our mom anymore, and she moved down to Texas close to the Mexican border to start a family with her dream Hispanic man.

RENO:

(to Tony)

Common Tony, Why don't you look for a new girlfriend "AKA wife", who has the same interests as you? cause your ex wife doesn't have the same, but the different one.

TONY:

Well, I think that might be an option. But hey, that's it! I'll start a Motorsports Crew!

SCENE 2 - JOHNSON'S HOUSE BACKYARD - MOTORSPORT FIELD - AFTERNOON

Tony and Dexter are practicing their Motorsports Skills while Reno is filming them, and Kendal is watching on the standing. Tony is doing it for NASCAR and Dexter for Motocross aka "Supercross".

RENO:

KENDAL:

(to Reno)

If they want to reach their milestones for their career, they just need to do it. It's their job.

RENO:

(to Kendal)

Well I hope they'll be sponsored by one of the 3 largest brands like Rockstar, Monster Energy or Red Bull.

KENDAL:

(to Reno)

Uhm.. why do you call those 3 brands out loud when they want to do this on their own?

RENO:

(to Kendal)

What does it matter? It's the hope they'll be interested, got it?

Kendal is looking grumpy and (with a) "seriously??" (face)

RENO:

(to Kendal)

Whaaattt???

KENDAL:

(to Reno)

Focus on filming them. And don't speak so loud in the footage, cause you ruin their reel..

RENO:

(annoyed to Kendal)

Dang, Kendal! You started!

KENDAL:

(annoyed to Reno)

Just shut up, Reno...

Daxter jumps with his Motocross bike from the ramp over Tony that's driving his Sports Car. Both are finished practicing with being filmed. Tony steps out of his Sports Car, and Dexter is going off his Motocross bike. Both are putting their helmets off.

TONY:
(to Dexter)

DAXTER:
(to Tony)
Mine was dope. And what about yours, dad?

TONY:
(to Dexter)
Yeah mine kick some ass too, son.

Reno and Kendal are walking towards Tony and Dexter.

KENDAL:
(to Tony)
So, all of these footage I've recorded for you guys, What are you going to do with them?

TONY:
(to Kendal)
With all these footage, I'm going to edit them into one video, and promote it to the world of Motorsports on YouTube.

KENDAL:
(to Tony)
Uhm.. Okaayyy.... But how do you get interest from Motorsports brands that also include energy drinks?

TONY:
(to Kendal)
I'll tell you that later, Kendal.

KENDAL
(bored to Tony)
What does it matter?.. It's up to you.

Kendal walks towards the Motorsports bar.

TONY:
(to Dexter)
Daxter, you can go to the Motorsports bar already. We'll drink about 8 minutes.

DAXTER:
(to Tony)
Alright, Dad! When can we watch the footage back on your computer, how Kendal filmed us?

TONY:
(annoyed to Dexter)
Tonight after dinner, alright? Just walk there, dumbass!

DAXTER:
(to Tony)
Yes, Dad.

Daxter runs to Kendal, while she's close to the door of the Motorsports Steakhouse.

DAXTER:
(to Kendal)
Kendal, wait (gasp)

Kendal stops in front of the Steakhouse door, and looks at Daxter

DAXTER:
(to Kendal)
Is dad really right, to get sponsored by making a promotion video with footage?

KENDAL:
(to Daxter)
Yes, that's how it really works, Dax. There is no other ways to get sponsored and promoted. What I've learned in Senior class in High School, Makes me stronger to get the highest scores on different studies, even when I've studied the same study like dad at College. If dad and I are really good at having Motorsports experience, you'll be really good at it too.

DAXTER:
(to Kendal)
Wow, really?
