

Our mission is to enable **impactful and meaningful virtual exchange** experiences for young learners around the world through **innovative communication technology and intercultural expertise**.

By empowering young pupils, we guide them towards **global interconnectedness and responsibility** and help them **tackle global challenges** by acquiring 21st century skills.

### Project Period – Requirements

- Discussion of a globally pressing topic and **creation a piece of content** (podcast, video, keynote, etc.) presenting possible solutions
- **Weekly calls** with teammates combined with asynchronous work
- **Optional Mentoring sessions**
- **Completion of online e-learning courses**

All students who fulfill the requirements of the program will receive a **certificate** upon completion.

### Contact

globaleducationforfuture@gmail.com

### Hard Facts

**Duration:** 6 weeks  
**Group Size:** 3-6 students  
**Ø Work Load:** 2-3 hours per week  
**Participation Fee:** none / donations

### Acquired Skills

- Critical Thinking
- Communication skills
- Problem solving
- Global awareness
- Civic Literacy
- Social Responsibility
- Collaboration
- Technology skills and digital literacy

### Good to know

- We try our best to integrate the **wishes and interests of the students** (no front-of-class teaching)
- After the project the students can join our **international alumni network**
- As it is the language that most of our participants speak, we provide all of our contents in **English**.
- We provide a safe-space for students to engage in sensitive and complex topics and where they feel safe to speak up and share their voice (we do **not**, however, tolerate any action that goes against the human rights and/or humiliates the identity of another person)
