

PROFESSIONAL TAP DANCE TRAINING HAMBURG 2025

July 21st to August 9th 2025 at Studio Footprints, Hamburg

with Thomas Marek & Team

This intensive 3-week tap dance program is designed for dedicated amateurs, professional performers, and dance educators who seek to elevate and refine their expertise in tap dance, jazz, and music.

The program centers on the concept of tap dance as a percussive musical instrument, guiding participants into the rich musicality of tap through focused exploration of technique, rhythm, sound, touch and tone.

For three weeks, we'll delve deeply into these elements, unlocking the full expressive potential of tap dance and music.

The training program is led by Thomas Marek and will be supported by his team of professional musicians.

All musicians have years of experience of working with tap dancers and have a deep understanding of what tap dance has musically to offer.

WEEK ONE :

REFINED TECHNIQUE

July 21st to 26th | 9h-16h

(Total hours: approx. 36)

Enhance your technique to develop a refined touch, richer sound, and greater precision. Together, we'll focus on mechanics, phrasing, dynamics, and articulation, aiming to master control over your instrument and musical expression.

with Thomas Marek (tap & drums)

WEEK TWO :

DANCING MUSIC

July 28th to August 2nd / 9h-16h

(Total hours: approx. 36)

In Week 2, we'll deepen our rhythmic and musical understanding, strengthening our sense of rhythm, musical form and interplay. It's all about jazz and navigating the music—combining refined tap technique with rhythm, musicality, and taste.

with Thomas Marek (tap & drums) & Stefan Dahm (drums/rhythm)

WEEK THREE :
FREE PLAY & CREATIVITY

August 4th to 9th / 9h-16h
(Total hours: approx. 36)

In week 3, we will dive into the art of improvisation, choreography, and creation. We'll explore improvisational and choreographic principles across music, jazz, and tap dance, applying these concepts to our solos. The focus will be on creating more dynamic and musical stories with our feet.
