Monthly Letter June 2022

Münster, 30.05.2022

Dear parents and guardians of the Hermann School,

As usual, today you will receive the current monthly letter for the month of June, in which some important dates will take place shortly before the end of the school year:

In the past month of May, the school council and the school conference met. I would like to thank you for this evening and the decisions that were made together for the good of our school community. Many thanks

Furthermore, our children of the first grade classes participated in the project for the promotion of the class community with the "Theaterpä-dagogisches Zentrum". All participants reported back a successful day.

At this point I would like to welcome Mrs. Miriam Lamberts, who started her service with us at Hermannschule on 16.05.2022 with 10 hours. Mrs. Lamberts is a special education teacher and will be assigned in the 3rd / 4th school year. The whole team is happy about this additional support and wishes Mrs. Lamberts a good start with many nice impressions at our school - WELCOME!

Monday June starts with our annual Bundesjugendspiele on 02.06.2022. The children come to school on time at 8:00 a.m. and we will then go together to the sports field of Borussia Münster.

Please also remember to give your child enough to drink for the day and small cut fruit or vegetables for breakfast! Thank you! I would like to ask that your children come to school already dressed in PE clothes. Also helpful would be a small backpack with a towel to sit on so your child can rest a bit and eat breakfast in peace. Your child will not need a satchel that day and no homework will be assigned. The supervision will follow directly after the Bundesjugendspiele. A special thanks goes to the sports-helpers of the Wilhelm-Hittorf-Gymnasium, who will actively support us. Many thanks

We hope that the weather will cooperate and that we will be able to hold the Bundesjugendspiele on 02.06.2022. If the weather should throw a spanner in the works, we have decided on an alternative date. This is 07.06.2022. If we have to use the alternative date, I will inform you in a timely manner.

On 03.06.2022 Mrs. Karolin Müller will come back to Hermannschule with 14 hours. Welcome back! We also wish her a good and successful start.

Städt. kath. Grundschule, Dahlweg 66, 48153 Münster, Tel. 0251/ 776732, Rektorin: J. Lüttikhuis, www.hermannschule-muenster.de, E-Mail: Hermannschule@stadt-muenster.de

The second weekend of the month is Pentecost! For you, this means another long weekend, from Saturday, 04.06.2022 to Monday, 06.06.2022, inclusive. On Tuesday, 07.06.2022, there will be regular classes and not a day off!!!

On Friday, 10.06.2022 we may welcome our future students of the 1st school year quite warmly at the Hermannschule. They will come to the 2nd lesson and will get to know their godparents, with whom they can then also experience their first lesson. Afterwards they will have breakfast together and then go to the yard break, before the children and their teachers will say goodbye to the day care center.

On Monday, June 13, 2022, the report card and advisory conference will be held, but you will not be affected in terms of organization.

On Thursday, 16.06.2022, Corpus Christi will be celebrated. This day is a public holiday and therefore free of lessons. On the following Friday, 17.06.2022, there will be regular classes - not free of classes!

On Monday, 20.06.2022, the parents' evening for the future 1st school year will take place from 19:30. On this evening, we will once again present the concept of cross-grade learning ("JüL") in detail and provide you with initial, but very important information regarding the enrollment of your child. The class compositions will also be announced on this evening.

On Wednesday, June 22, 2022, grades 1 to 3 will receive their report cards in co-packaged form. It is important that you, as parents/guardians, sign the copied report so that the original can be given to you on Thursday when the copy is returned.

The students have the opportunity to discuss the report card with the class teacher after prior registration. I would like to ask you to make an appointment beforehand. You will receive a form for this purpose.

On Thursday, 23.06.2022 we will say goodbye to our 4th school year in a church service. The service cannot be held in the church due to renovations. The team has decided to hold the service in the schoolyard or in our gymnasium in case of inclement weather. The service will start at 8:30am.

On Friday, 24.06.2022, we as a school community will bid a fitting farewell to our "big ones" in the schoolyard with a small social program.

On this day, the children of the 4th grade will also receive their report cards; there will be no need for a co-paid printout for signature. The fourth graders will receive the original immediately.

On the last day of school, Friday, June 24, 2022, classes will end at 10:45 a.m. - the OGS will then offer "emergency care" for the OGS children. You will also receive a form to register your child there until 13:00 at the latest.

It was an exhausting but also exciting school year with many innovations. On behalf of all teachers and the staff of our childcare centers, I would like to thank you very much for the great cooperation and your support in all areas.

From the bottom of my heart, I wish you relaxing vacations, wonderful summer days and, if necessary, a good trip! Come back healthy!

Judith Lüttikhuis
