PROGRESS and ACHIEVEMENTS:

over the summer we have welcomed our Tiverton team into the Muddy Boots family, it is a really wonderful place to be, with fantastic children, passionate staff and incredibly welcoming families.

Whilst taking on this new project we have also completed the new building in Pinhoe and built a new 'Cocoon room' at the Farm in Newton St Cyres.

We are always looking to ensure our existing teams receive the same levels of investment as the new spaces and if you would like to come and view any of these areas or learn more please ask.

Over the Summer we have completed over 20 courses as a team, both in statutory and non-statutory topics. These have included, Autism Awareness, Speech and Language, Makaton, Prevent Duty, Paediatric First Aid and much more!

If you would like to discuss your key-persons qualifications, CPD plan or suggest any areas for development please contact the teams directly or email: hello@getyourbootsmuddy.com

We are very proud of the PINHOE team following their Ofsted inspection and we will release further details as soon as we are allowed.
