President's Report:

Hi All

I hope everyone is coping with the new round of Covid lockdown and getting used to wearing those bloody Masks!!!. I must admit I've gone for the skiing type of neck gaiter .

Well done to Nick Rees on his presentation for his upcoming 'on line' production, 'Raise the Curtain' which will be streamed live this Thursday at 7.30. This is a great initiative of Nick's and all donated monies go directly back to the performers and the local production companies which are obviously all struggling at the moment not being able to do live shows. I urge all members to get behind and support Nick's production and tell your friends and family.

Thanks to Stapes for giving us an overview of how Covid is impacting his business and the effects he sees within the community.

Reesy has organized Assistant DG Sjaak Kusters to join our zoom meeting this week and give us an overview of what's happening in our Rotary District, so try and make an effort to be at the meeting if you can .

Cheers

Shane

To all members of Rotary District 9820 :

Janne Speirs - Emergency Management Chair - is calling out for knitted goods. Obviously as the weather cools, the need for warm clothes is increasing!

What is needed: Knitted or purchased through clubs - Adult beanies, scarves in football team colours, children's knits (2 through to 10 year olds) or even 'fashion' scarves. There doesn't seem to be a huge call for babywear.

If you, your family or your club would like to assist in this important task - not just for its practical value but also the moral support of those who've lost so much then please get knitting and/or send your finished products to the address below.

Where: Mrs J Speirs, 218 Webbs Road, Gormandale 3873
