

Follow the sun – Xavier Rudd

Intro: **G G**

Chorus: **G** Follow, follow the sun,
And which way the wind **C** blows
When this day is done **G**

Verse: **G** Breath, breath in the air
Set your intent **C** ions
Dream with care **G**

PreChorus: **Am** Tomorrow is a new day **C** for everyone **G**
Am A brand new moon **C**, brand new sun **G**

Chorus: So **G** follow, follow the sun
The direction of **C** the birds
The direction of love **G**

Verse: **G** Breath, breath in the air
Cheerish this mo **C** ment
Cheerish this **G** breath

PreChorus: **Am** Tomorrow is a new **C** day for everyone **G**
Am Brand new moon **C**, brand new sun **G**

Bridge: **F** When you **Am** feel love **G** coming down on you
F Like a **Am** heavy **G** wave
F When you **Am** feel this **G** crazy society
F Adding **Am** to the **G** strain
F Take a **Am** stroll to the **G** nearest waters
F And re **Am** member your **G** place
F Many **Am** moons have **G** risen and fallen long,
F long be **Am** fore you **G** came
So which way is the **Am** wind blowin'
And what does your heart **G** say?

Chorus: So **G** follow, follow the sun
And which way the wind blows **C**
When this day is done... **G G**/
