

PLANNING_BEFORE_LIVE_AFTER

Facilitated events are always snapshots. It is crucial for (long-term) success to also ensure that they are appropriately embedded. The before and after are critical factors for success that should not be left to chance.

PRE-PHASE

- > Who has to join?
- > Prepare knowledge
- > Questions / procedure for thinking in advance
- > Moods and expectations
- > Organizational framework
- > Set dates / places for follow-ups
- > Everything at a glance

LIVE

- > Early result assurance
- > Who decides here?
- > What places are there to continue?
- > Who takes care for what?
- > External information-flow

AFTERWARDS

- > Reflection: result und process
- > Who else to involve?
- > Who takes care for what?
- > Feedback loops
- > Next milestone
