President's Report:

As you heard after last week's meeting, we have made the decision not to hold our regular Club Meeting each Wednesday for the time being.

But that opens the opportunity to try something different and I hope all members will join us for our first online meeting on Wednesday.

Date: Wednesday 25 March

Time: 7.45am – that's the actual start time, so try and log on a minute or 2 earlier so you don't miss the start. It will probably run for about 30 mins

Location: You, sitting in front of your computer – BYO brekkie

Sound up, microphone on if you want to be heard

This first one will be a trial, so hopefully you jump on board to see how it works. If members are interested, there are other ways to expand on it. Maybe in future we'll be able to have a guest speaker as well.

As we all take responsibility for social distancing and come to terms with the impacts on jobs, the economy and how our collective lives are, and will be affected, as members of Frankston Sunrise there are a few things to keep in mind:

1. You are part of the Sunrise family. If you are unwell and/or need assistance and your fellow members can help, then reach out to us. Call me, call anyone on the board, call another member, just make sure we are aware of your situation. Your fellow Sunrise members will want to help.

2. Our ability to contribute within the broader community has been affected. But that doesn't mean we can't find other ways of doing so. Your Board is reaching out to others to look for areas of need where Sunrise might be able to assist. If you have ideas to discuss, bring them up at the Zoom meeting on Wednesday or give myself or Rosscoe a call to discuss.

Clearly these are difficult times. Rather than stepping back from Rotary, it is important that we adjust and try new approaches. Social distancing we need to adjust to, social isolation is what we need to minimise. As Rotarians, that should be our aim moving forward.

See (or at least hear) you online Wednesday 7.45am!

Regards,

Peter

Last Week's Guest Speaker: Mick Ellis

Peter, Mick And Shane

Guest speaker Mick Ellis who is a journalist who works for the Herald Sun in the sub editing dept. Mick worked for many years with the 'Inside Football' publication and is quite an expert on all things 'football'. His presentation was fantastic and created heaps of interest amongst the members as the lengthy question time attested to.

Director's Reports:

Finance and Fundraising report

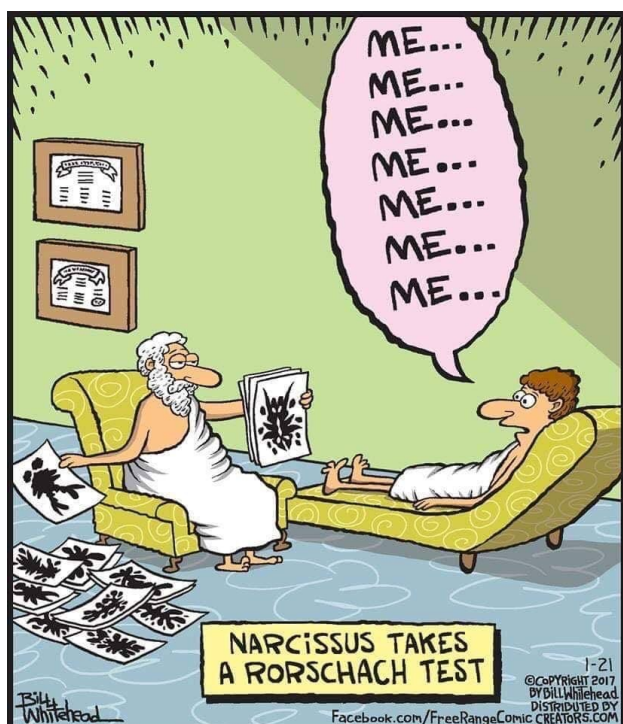

These uncertain times created by the Covid 19 virus have caused the cancellation of various events, functions and fundraisers including the RC of Frankston Sunrise Charity Golf Day which was to be held on Monday the 23rd March. Macca and his committee had done a sensational job of getting this major fundraiser ready to go only to have to pull the pin after 5 months of work. We have had quite a few of the sponsors who have paid their fees, either donate them or leave the money with us to use when we run the event next time. We also had Peninsula Sports Medicine leave their donated massage vouchers with us along with Teds Cameras donation which was organized by Blinky Bill. We are very lucky to be surrounded by good generous people.

The Ghana Ball has been rescheduled to October, the Rotary Frankston Football day has been cancelled in May and the Treadmill Challenge is still all go for October at this stage.

We Have also had to cancel the Changeover which was to be held on July 11th .
