Call for Support

Model NATO Germany is looking for volunteers to organize the 2nd Model NATO Germany in November 2024 as

Team Member in the Public Relations Department

As a non-profit organization, Model NATO Germany is dedicated to ensuring a sustainable future for NATO as an institution of collective defense. Our mission is to empower the next generation of decision-makers and passionate students with a profound understanding of NATO's values, decision-making processes, political intricacies, and its pivotal role in transatlantic security.

During a 4-day long scenario simulation in English, we will grant 96 students and young professionals from Germany and abroad the opportunity to address a crisis situation within the mechanisms and processes of the North Atlantic Treaty Organization. Filling the roles of National Representatives working in delegations, the students will have to coordinate their actions beyond their assigned committees and negotiate their standpoints within both the North Atlantic Council, the Military Committee as well as a scenario-dependent third committee.

As **Team Member** in the Public Relations Department, you will be, among other tasks, involved in the development of merchandise as well as the management of the website and newsletter. Furthermore, you will have the chance to help design and develop presentations and brochures.

Generally, we are looking for people who are interested in security policy and NATO-related issues. Specifically for the position in question, we are looking for people who have good writing skills in English. A certain creative interest will make the job all around easier. Working experience in Canva and/or Adobe Creative Cloud programs is an asset.

We offer the opportunity to become a part of Model NATO Germany 2024, gather valuable experience with project management as well as promoting a project and the experience of building a social media profile and further developing the branding an organization.

Applications, including a CV (German or English) and a one-page motivational letter (English) can be sent to eva.hager@modelnatogermany.de until the **29th of February 2024**. If you have any samples from past projects you have worked on, please feel free to attach those to your application. This could include brochures, websites, or other relevant designs you have produced, or any other material you see fit for this purpose.
