

Innovations for Biodiversity

 07-08 October 2024

 Vienna

We are delighted that you are joining the
5th Anniversary Celebration of the Huawei TECH4ALL Initiative
on October 7-8, 2024.

Over the past five years, Huawei has partnered with global and local organizations to deploy smart technologies and AI solutions in various ecosystems, contributing to crucial biodiversity research and conservation efforts. Our upcoming event will highlight the latest research findings from **TECH4ALL projects across Europe**, including the TECH4ALL Austria project about biodiversity protection we did together with the “Nationalpark Neusiedlersee-Seewinkel” and the University of Vienna.

Please find enclosed an overview of the program and some useful.

Everything will be set for you to have an unforgettable time with the Huawei TECH4ALL initiative, making your stay smooth and enjoyable!

Your

Huawei TECH4ALL Team
