

Sahara Footprints

Erg Chegaga 2 days / 1 night

Route: M'hamid – Erg Chegaga – M'hamid

day 1 M'hamid – Erg Chegaga

We will start our trip in the centre of M'hamid at about 12 o'clock or any other time you wish. At the end of the village the street ends, and our travel will continue through a varied landscape of stone desert, sand dunes and the plants of desert. And also, we will stop in the Oasis D'Oum Laalag. Our day's journey will end in a bivouac between the dunes of Erg Chegaga. There you will have the option to try sandboarding. Also, we can organize a trekking by foot or dromedary trekking for you. Of course, you will enjoy a wonderful sunset, too. You will eat your dinner in the restaurant and spend the evening around a fire with traditional nomad music. On this night you will sleep in a tent between the sand dunes under a sky full of stars.

day 2 Erg Chegaga – M'hamid

Early in the morning you will enjoy the sunrise in the dunes and see how the sun returns the colours of the desert to their typical red once again. After breakfast in the bivouac the journey will bring us back to M'hamid, where we will arrive at about 12 o'clock.
