Selfmade ice cream. Milk ice cream made from Bliesgau milk and
fruity sorbets. - of course we get it from our neighbors

HENRY'S EISMANUFAKTUR.

Dominik and his team conjure up unusual varieties according to
our wishes.

We obtain delicious sourdough bread, hearty bagels and fluffy
brioche from our indirect neighbors

BROT & SINNE.

The multi-award-winning bakery works with traditional
fermentation processes and flour from the Saarland.

MONDO DEL CAFFE

is the name of the Luxembourg family business from which
we obtain our selected coffee. In their in-house roastery,
they process fair-trade green coffee from India, Rwanda
and Brazil, among others - without any intermediaries and
at the best conditions for the families who manage the
plantations.
