Tram comes when red or
yellow

Streetlamps don't shine the whole night

church with
ceremonies

Suggestions for new traffic rules & signs

bonus: what I'd like to see less of

Speed limits

Pedestrian zones / No vehicle zones

Inclusive urban planning

The background is a solid light green color. Scattered across the entire background are numerous black line-art outlines of Ginkgo biloba leaves. These leaves are of various sizes and are oriented in different directions. Some are large and prominent, while others are small and subtle. The outlines capture the characteristic fan shape and the slightly wavy, notched edges of the leaves, as well as their long, slender petioles.

Have an exceptionally great day :)
