

Working Student Legal

at LeanIX in Bonn, Germany

As a Working Student Legal (m/f/d) you support the LeanIX Legal Team in day-to-day administrative tasks and research projects. You will also assist in the implementation of a contract management system, as well as conduct independent research on various legal issues as they arise.

WHAT IS WAITING FOR YOU?

- Support the Legal Department in administrative and research matters
- Responsibility for shaping a contract management system
- Support and implement company-wide compliance initiatives
- Get insight into the day-to-day work of a legal department

WHAT ARE WE LOOKING FOR?

- You're at an advanced stage of your law studies or studies with a legal focus
- You're interested in contract, IT, and privacy law
- Ideally, you have initial experience in working with contracts
- You are fluent in English. Any other European language would be a plus: German, French.
- You work in an independent, structured and efficient way
- You know how to find quick and pragmatic solutions and how to adapt flexibly to new circumstances
- You're at an advanced stage of your law studies or studies with a legal focus

ADMINISTRATIVE DETAILS:

- Candidate needs to be enrolled in a German university
- Hourly pay rate: 17 EUR/hour
- Can work max. 20 hrs/week during semester
- During semester break entitled to work up to full-time
- Notice period within probation period: 2 weeks
- Notice period after probation: 4 weeks

LeanIX, The Continuous Transformation Platform® that efficiently organizes, plans and manages IT landscapes, supporting 650+ customers with our 3 solutions Enterprise Architecture Management, SaaS Management Platform and Value Stream Management.

LeanIX is not just a product, in fact it's a **great place to work**. Colleagues (450+) from dozens of countries jointly make our vision reality. We believe in transparent communication, personal development, diverse workforce, innovation by creating ideas that prove useful and that our world-class team deserves the best software stack money can buy.

At LeanIX we have a **Connected Remote Work Mode** which means you work remotely from your home office and from one of our offices. LeanIX teams and team members decide together on the work mode which suits them best.

Next to that we have great benefits for you, [CHECK OUT HERE WHAT'S IN FOR YOU!](#)
