**President's Report:**

I've written an early report this week before I have headed away for 4 days of golf up on the Murray. So if anything is out of date by the time you read this, that's the reason!

Congratulations and welcome aboard to Warwick Smith, who was inducted into the club at our last meeting. Warwick is joining Bob Smith on our membership Committee and with Warwick's passion for community service, I have no doubt he will be a major contributor to the future projects of the Club across all committee areas.

How impressive was Amelie Shumann at last week's meeting. For those that weren't there, Amelie is a Year 12 Frankston High student sitting her VCE later this month. She was making her 2<sup>nd</sup> visit to the club, this time to report back and extend her thanks to Frankston Sunrise for our support of her recent attendance at the London International Youth Science Forum. Amelie is a very impressive young Australian and as a Club we will be keen to keep in touch and follow her as she moves forward with her studies and career in science. But best wishes later this month Amelie with your VCE!

Fundraising is in full swing for the Treadmill Challenge that is now just 2.5 weeks away. Patrick the Pig was at Core24 last Wednesday and promo photos were taken to help us get the message out there. Mark is coordinating our runners/walkers and Shane is coordinating our other volunteers. Don't forget, you can help raise funds for our team by either donating or encouraging family and friends to donate by visiting <https://vsk.grassrootz.com/rotary-frankston-sunrise-12-hr-treadmill-challenge/rotary-frankston-sunrise-1> It's also great to see that visitor to our Club, Sherif Balic has jumped on board and will be a runner on the day!

We have a Board meeting Tuesday, so you'll get more of an update at Wednesday's meeting.

Also, last chance to let David Morgan know if you are a starter for our special dinner event at Bunurong Restaurant on Thursday, October 17 (Remember, there is no breakfast meeting 16/10). This is a very special night for the Club as we will award the very first David (Bluey) Bellette Scholarship to a Yr3 Plumbing Apprentice at Chisholm. There will also be what promises to be a fascinating presentation by Bindi Mulligan who will be talking on her year working and running a trauma field hospital in Iraq, during and after the battle for Mosul. Cost is \$40 per head for a 3 course meal, beer, wine and softdrink. Let Dave Morgan/Mark Rees know urgently if you haven't already that you plan to attend.

Peter
