## Call for Support

Model NATO Germany is looking for volunteers to organize the 3<sup>rd</sup> Model NATO Germany, taking place from the 10<sup>th</sup> to the 14<sup>th</sup> of November 2025, as

### Team Member in the Registration & Admission Department

As a non-profit organization, Model NATO Germany is dedicated to ensuring a sustainable future for NATO as an institution of collective defense. Our mission is to empower the next generation of decision-makers and passionate students with a profound understanding of NATO's values, decision-making processes, political intricacies, and its pivotal role in transatlantic security.

During a four-day simulation, we will grant 96 students and young professionals from Germany and abroad the opportunity to address a hypothetical crisis scenario within the mechanisms and processes of the North Atlantic Treaty Organization. Filling the roles of National Representatives working in delegations, the students will have to coordinate their actions beyond their assigned committees and negotiate their standpoints within both the North Atlantic Council, the Military Committee, as well as a scenario-dependent third committee.

As a Team Member in the Registration & Admissions Department, you will be responsible for the design and evaluation of the application process in coordination with other members of the organizational team. During the Conference itself, the activities mainly consist of registering participants and other guests, such as our partners, as well as being their main point of reference. Additionally, there is the possibility to take on individual responsibilities within other departments, such as Awareness or Logistics.

For this position in particular, we are looking for individuals with high organizational skills, reliability, professionalism, and awareness of topics such as diversity and fairness to facilitate an inclusive conference. More generally, we are looking for people with a general interest in security policy and NATO-related issues. Due to the nature of the activities, we require fluency in English.

We offer the opportunity to become part of Model NATO Germany to gain valuable experience in project management and candidates' selection as well as in accompanying and supervising about 100 international participants. You will have the chance to develop your soft skills while collaborating with an international team from various disciplines.

Applications, including a short motivational letter and CV (in English), can be sent to [alba.hernandez-cernuda@modelnatogermany.de](mailto:alba.hernandez-cernuda@modelnatogermany.de) until the 2<sup>nd</sup> of March 2025.
