CILICO MDM

SOTI MOBICONTROL CERTIFIED

5.72"screen	Octa-core 2.6GHz 5G chip	IP68	4G Full Netcom Dual-band Wi-Fi 2.4G&5G
Android 14	RFID UHF+NFC	1D/2D	6500mAh

Advanced Industry Operation System

· Octa-core 2.6GHz 5G chip, with latest Android 14 OS
· More smooth operation, low delay in multiple operation scenarios

More Smooth Operation

· Large screen, input operation in field is easier and convenient
· Excellent scanning performance for different industry applications

Protection and Reinforcement

· 1.5m drop, enclosure protection, protect the screen and internal components
· No worry about battery life, meet full day working requirements
