I am more than happy to take you to rich nature and to attractive tourism resources scattered in Tochigi prefecture. I have gotten a tour guiding license in 2015. It is my motto that I will prepare sufficiently enough to satisfy your requests and provide you with the memorable tour.

Despite 19 year long stay abroad, I remain charmed by Japanese thing, such as culture, custom, sprit, martial art etc.

I am glad if I can be of help understand Japan as well as Tochigi more than ever through my guide.

I own the third grade in Japanese archery, known as Kyudo.
