# FABLE & LUXURY TREATMENT

Fable bed-wash: a revolution by Karisma.

[FRAME/CLICK TO SEE THE VIDEO](#)

FABLE is the ideal product for salons that want to raise their offer with exclusive services for the total well-being of people.

The best location for Fable is inside the cabin, where, with a small reserved space, the customer can experience a feeling of complete care on their skin and increased perception of prestige of the salon, which can be enhanced by a Luxury treatment Area.

Fable is a 100% Made in Italy project, born from the desires of nationally and internationally renowned hairstylists, studied and realised by the skilful hands of Karisma technicians. A new way of thinking about the washing station. A revolutionary solution that takes the experience inside a prestigious salon to a level never thought of before.

No longer an ergonomic chair to relax the customer, but a bed equipped with advanced functions and technology on which each person can lie comfortably and be pampered with top treatments.
