# President's Report:

Just when we thought we were right to return to regular meetings at The International, 2020 has taken a fresh turn with our government delaying some of the re-opening of our state. As a result we have no alternative but to change the plans for our Changeover breakfast.

Our Changeover is now limited to 20 people. To make this as fair as possible, we are making it the first 20 that replied to the invitation. By the time you receive Sunrise Times, I will have sent out an email confirming who is on the list to attend the Changeover. We will then run a waitlist in case there are any cancellations. Obviously it's very disappointing we can't accommodate everybody, but the decision is outside our control.

We have had the opportunity to make the donations previously spoken about to various of our beneficiaries. We have received some very heartfelt messages of thanks for these much-needed funds in such a tough environment. Printed below my report are some of the words we have received.

Next week will be my last report for Sunrise Times as president. I'll have more to say then, but it certainly has been an unusual year!

Regards

Peter

Thanks received from:

Steve - Community Support Frankston

\$2,000 is no small amount of money and we really appreciate the club's support, this is incredibly generous considering the club isn't able to fundraise at the moment. An update from CSF's end - we've remained very busy through the pandemic and still have a number of redeployed Frankston Council staff working with us, complementing the efforts of our volunteers. I'm really proud of the fact that CSF managed to be adaptable and keep going while most services similar to ours around Vic needed to completely (and understandably) shut down.

Can you also please thank the club for the driver support, a number of club members chipped in with home deliveries and it really helped us out. We're still doing these deliveries and also commenced free take-away meals for people, we're seeing a lot of our homeless back on the streets.

#### Thanks received from:

Tracey - Dogs for Kids

I can't tell you how delighted I was to read your email this morning.

It has been difficult to work through Covid-19 restrictions and the impact will be felt for a while to come. But the commitment of our volunteers and supporters has not wavered. We have 35 dogs on the program and several families on our waiting list, all depending on us to keep working towards our charitable purpose. And that's what we'll do, thanks to the support of people like you.

Thanks again for your generosity in 2019/20.

#### Toni - Focus Individualised Services

It is very generous of Rotary Frankston Sunrise to donate money in these current times. It is extremely appreciative and we will be able to utilise the donation to assist some people we support who are moving into a newly renovated home that is in dire need of some new plants and gardens in the next few months. This donation can assist them to purchase and plant their own gardens, which will bring them much joy to make the home their own.

# Tony - Blackwood Outdoor Specialist School

Thank you. Your Clubs continued support towards Blackwood is awesome and a wonderful surprise in the current economic situation. I look forward to working catching up and thanking everyone at the beginning of July. Stay safe, happy, healthy & active.

Jess - Interplast

Thank you so much for your email.

I was looking forward to a healthy golf competition with you all (especially sledging dad). Hopefully thinks can start to normalise soon. Hopefully once all goes back to normal I will pop in to say thank you.

Your donation and support to Interplast is incredibly appreciated.

#### Additional: Club Help with Deliveries:

Thank you and your fellow club members who helped us with the deliveries. We sincerely appreciated that you were able to step in and assist so many families who were in need.

# 12 Hour Treadmill Challenge

# Steps to success

Commit to the challenge.
 Secure your treadmill by registering a team. The Corporate sponsorship of \$1,000 covers the cost of the event, which means that 100% of your team's fundraising efforts will go directly to helping children in 24 hour care at Evry Special Kids Hospice.

The Team Captain will work closely with Rotary Frankston Sunrise and take charge of your teams' activities to guide the group towards the team fundraising goal.

with 30 minimute time slots to fill over the 12 hours, a team of up to 24 fundraising foot soldiers will help complete the challenge. Walking is an option for those who prefer a steadier pace.

4. Enlist the support of family and firends
Participants should ask for sponsors to help reach your fundraising goal. Set up your own personal or fundraising page at https://vsk.grassrootz.com/rotary-frankston-sunvise-12-hr-treadmill-challenge and share with family and friends on social media and with peer networks.

Sum or walk with your heart and celebrate in the camaraderie with like-minded people who are all taking on the challenge to raise funds for children with life-threatening conditions.

Janne Speirs - Emergency Management Chair - is calling out for knitted goods. Obviously as the weather cools, the need for warm clothes is increasing!

What is needed: Knitted or purchased through clubs - Adult beanies, scarves in football team colours, children's knits (2 through to 10 year olds) or even 'fashion' scarves. There doesn't seem to be a huge call for babywear.

If you, your family or your club would like to assist in this important task - not just for its practical value but also the moral support of those who've lost so much then please get knitting and/or send your finished products to the address below.
