

Plan for the unexpected

Travelers with Go Ahead Tours are offered insurance through plans by Specialty Insurance Solutions (SIS). Your two plan options are Trip Protection and Basic Trip Protection. These plans include travel insurance benefits underwritten by United States Fire Insurance Company to help secure your investment, as well as non-insurance assistance services provided by Seven Corners.

Visit goaheadtours.com/travelprotection to view the Benefits Guide for additional details about each plan, and refer to the bottom of this sheet for certain key Terms & Conditions. Please be aware that there may be limitations to the plan given your travel destination.

Trip Protection

Trip Protection allows you to safeguard your investment with cancellation coverage for many unexpected situations that prevent you from traveling or require you to interrupt your tour. Enroll in Trip Protection within three days of booking to receive the **Early Enrollment Package**, which includes a Pre-Existing Condition Waiver. AnyReason Protection* is also included as a non-insurance Cancellation Fee Waiver from Go Ahead Tours.

Pre-Existing Condition Waiver

Losses resulting from pre-existing medical conditions are normally excluded from coverage. However, this exclusion will be waived if you purchase Trip Protection during our three-day Early Enrollment window and insure all prepaid trip costs that are subject to cancellation penalties or restrictions.

AnyReason Protection

This is a non-insurance Cancellation Fee Waiver provided by Go Ahead Tours that protects you should you need to cancel your tour prior to checking in for your first scheduled flight. Missed your window to get AnyReason Protection within 3 days? You have until your Tour Finalization Date to add it for \$75.

Trip Protection and Basic Trip Protection provide you with coverage for:

Tour Cancellation & Interruption

If an emergency at home hinders your ability to travel as planned, you may be eligible for valuable reimbursements.

Travel & Baggage Delay

Should circumstances beyond your control cause you or your baggage to be delayed in reaching your tour destination, you may be reimbursed for related out-of-pocket expenses.

Baggage & Personal Effects

Benefits may be paid in the event of permanent loss, theft, or damage of your personal belongings while coverage is in effect.

Accident & Sickness

Trip Protection offers up to \$50,000 in coverage and Basic Trip Protection offers up to \$25,000 for out-of-pocket expenses.

When you enroll in a plan and book Go Ahead Tours flights, you can buy Extended Protection for up to 14 days beyond your trip dates.
