Monthly letter Oktober 2022

Münster 30.09.2022

Dear parents and guardians of the Hermann School,

the school year is in full swing, and we are moving with great strides towards the increasingly dark season and the first vacations! In the next few weeks there are some important and interesting news and dates for you. Find out everything you need to know about the Hermann School in the new monthly letter for October!

In September we celebrated a wonderful Lambertus Festival! I would like to thank all those involved, the many helpers and, of course, the board of the Förderverein, who provided us with pretzels and drinks! A big thank you also goes to Mr. Kemming, our buern! We would also like to thank you, dear parents/guardians: Only with your generous donation of flowers could our Lambertus pyramid become so colorful and bright - Thank you very much! I would also like to thank you for the many apple donations on behalf of all the children of the Hermann School.

Furthermore, I would like to inform you that Mrs. Borgscheiper has passed her practical teaching examination. The whole team is very happy about this very successful exam result. Unfortunately, we have to say goodbye to her at the end of October 2022 and wish Ms. Borgscheiper all the best for her future career!

The guardianship evenings have taken place, the school guardianship and the school conference have met. In the meantime, our newcomers have learned the school and the associated school life and are becoming more and more familiar with the school structures. The school route inspection with Mr. Büter has already taken place successfully in all JüL learning groups.

The month of October is already a few days old and in the first two weeks you have hopefully spent a relaxing autumn vacation and can now start the 2nd quarter well rested.

On Monday, 17.10.2022, classes will start at 8:00 a.m. for all grades. This day is a special day for our 4th grade - they will go on a class trip to Halten until Wednesday, 19.10.2022. We wish the children and their colleagues Mrs. Lutze and Mrs. Borgscheiper eventful days and lots of fun!

On Thursday, 20.10.2022 the annual information evening for parents of school-age children will take place at 19.30 in the assembly hall. Here we will inform about our work and our school program at Hermannschule. In addition, we will hold our Open Day on Monday, October 24, 2022, from 4:00 - 6:00 pm. On this occasion, interested families have the opportunity to get to know the rooms of the school building during the above-mentioned time. The future school beginners can expect a colorful and very diverse program. The school's booster club will spoil all guests with waffles and coffee in our OGT kitchen - I would like to thank them in advance. On this day, the school's colleagues will also be available to answer any questions you may have about the school program and our pedagogical work.

All Hermann School children attending Open House will be dismissed home no later than 3:00 p.m. on Open House Day. You have already received a letter to this effect.

If you can no longer find it, this letter is available on our homepage www.hermannschule-muenster.de. You can download the school registration forms under the heading "OGT, Parent Letters OGT".

For the month of November, I would like to announce the school registration for the upcoming school year 2023/2024. Appointments for school registration are now available in the secretary's office.

Parents of our fourth graders should already make a note of the following date:

On Thursday, November 24, 2022, at 7:30 p.m., the information evening regarding the secondary schools (Sekundarstufe 1) will take place. You will receive separate invitations for this event.

Finally, a general request:

When you bring your children to school in the morning or pick them up again in the afternoon, i.e. primarily during rush hours, we would like to ask you politely not to enter the schoolyard or the school building.

In the last few weeks, parents or guardians have again been in the schoolyard very often. I would like to point out once again that please dismiss your children at the small or large gate. Neither for you as parents/guardians, nor for us as teaching staff, is it a nice thing to keep reminding you to please keep your children out of the schoolyard. In order to finally put this inconvenience to rest, I would like to ask you one more time: **PLEASE DROP YOUR CHILD FROM THE SCHOOL!**

Thank you for your understanding! If you need further information, please contact our secretariat! Wishing you a wonderful, hopefully golden month of October

Judith Lüttikhuis, Principal
