The building looks like it was designed by an architect, and you can enjoy the soba restaurant from the entrance. The budget is about 2,000 yen, and the menu is abundant, including soba noodles, set meals, rice bowls, and a la carte dishes. In addition, you can enjoy your meal while watching the cooks cooking from the counter seats in the luxurious interior.

A construção parece que foi feita por um arquiteto. Você é bem vindo ao restaurante, com 2000 ienes o cardápio é abundante, inclui macarrão, arroz e La carte. Além disso, você pode assistir aos chefes cozinhar e apreciar seu luxuoso interior.
