

Curriculum Vitae

PERSONAL DETAILS

Name Tassilo Thebe
Date of birth 25/05/1995
Place of birth Starnberg, Germany
Nationality German

EDUACTION

08/2021 – 06/2023

M.Sc. Hydrology, hydrogeology, and water resources

Stockholm university – Department of Physical Geography

- Hydrological modelling
- Water management & pollution
- Ecohydrology
- Advanced Hydrology & Hydrogeology
- Water resources sustainability - Catchment scale
- Thesis "SWAT Runoff Modeling and Salinity Estimation in the Odra River Catchment"

10/2016 – 07/2020

B. Sc. Environment and Bioresources Management

University of Natural Resources and Life Sciences (Vienna, AT)

- Interdisciplinary sustainable management with components in natural sciences, technology, and engineering as well as economics and social sciences
- Bachelor Thesis 'The common utilization of the infrastructure system in the german water supply', Institute for Sustainable Economic Development, Dr. Martin Kniepert

27/06/2014

General qualification for university entrance (Abitur)

Gymnasium Tutzing, Munich (DE) - linguistic and economic school

PROFESSIONAL EXPERIENCE

11/2022 – 01/2023

Internship EOMAP

- Remote sensing of marine and freshwater aquatic environments
- Data processing and analysis of satellite based environmental information
- Water quality studies and monitoring (e.g., Sedimentation, Algae Bloom detection, Chlorophyll content etc.)

- Deepening understanding of remote sensing applications for hydrological purposes (e.g., hydrological modeling)

04/2021 – 08/2021

Research & Data Associate at 'Inoqo'

Start-up company working towards behavioural consumption change

- Research for and maintenance of Inoqo's food product database on sustainability topics as well as funding programs for StartUps
- Creating informative content

05/2020 – 09/2020

Internship Grundbaulabor München GmbH

Environmental engineering office operating at national level

- Analysis of contaminated sites
- Groundwater and soil water investigation and monitoring
- AutoCAD drawings & Thermal groundwater utilization

08/2019

Internship BWV Bodenseewasserversorgung

Regional drinking water supplier (Insights in water extraction, processing distribution and energy and resource management)

As from 03/2018

Member Association for Ecological Economic Research
Mentoring Programm

HARD SKILLS

<i>MS-Office-Tools</i>	Advanced
<i>GIS</i>	Basic/Advanced
<i>Auto-CAD</i>	Advanced
<i>Programming (Python)</i>	Basic/Advanced

SOFT SKILLS

Communication and PR
Marketing
Project Management

LANGUAGE SKILLS

German	Native
English	Fluent (2 nd language)
Spanish	Basic (Level A2)
Swedish	Basic (Level A1/A2)

OTHER

06/2019 – 02/2020 TechSupport at ‚Lebensretter‘

Stockholm, the 3rd of July 2023
