Abstract Submission Guidelines for CILCA 2021

All papers must be original and not simultaneously submitted to another conference. The following paper categories are welcome:

- Abstracts, for oral and poster presentation
- Full papers, only for oral presentation

For poster presentations, only the abstract is required. For oral presentations, after acceptance of the abstract, it will be necessary to send a full paper. The Scientific Committee will make the final decision regarding acceptance as an oral or poster presentation, depending on the quality, originality and relevance of the article.

Format for Abstract only:

The abstract must be in the following languages: English, Portuguese and Spanish. It should be written and edited in Word or Open Document format (.doc, .docx, .odt). The page configuration should be A4 and all margins at 3.0 cm (top, bottom, left and right).

The abstract should be organized in the following way:

- Title: must be short, concise and informative (centered, Arial 14 in bold and capital letters, single spacing).

- Names and affiliations of the authors. Below the title and to the right, should be the names of the authors (Arial 12, bold, single spacing). Then there must be the institutional affiliation, addresses and emails of all the authors (Arial 10, single spacing). Mark the correspondence author with an asterisk (*) after the name. Please, indicate names, affiliation and address of the authors as illustrated:

Author1 Name Last Name¹*, Author2 Name Last Name², Author3 Name Last Name¹²

¹ Institution 1, Faculty, Program or Investigation Group. Address, City, Country.

E-mail: author1@...

² Institution 2, Faculty, Program or Investigation Group. Address, City, Country.

E-mail: author2@...

E-mail: author3@...
Principal text: should be informative, with up to 800 words (Arial 12, single spacing), and give an overview of the content of the article referring to purpose, methods, results, discussions and conclusions. Use italic instead of underlining (except URL addresses). Do not include tables, charts or images.

Keywords. Please, include at least 3 keywords that are related to the main topics of the article (Arial 12, single spacing, separated by commas). Keywords are used for indexation purposes and should be in the 3 languages (English, Portuguese and Spanish).

ONLY if the abstract is accepted for oral presentation, the authors should submit the corresponding full paper.
