

Practical Lithuanian language summer camp „Experience the Lithuanian language!“

There is no better way to learn Lithuanian than to speak it.
We invite *adults* to a practical Lithuanian language summer camp!

WHAT AWAITS YOU?

- The most important goal of this camp is to speak Lithuanian! Every day You'll find Yourself in new exciting situations with locals, where You'll have no choice but to speak Lithuanian;
- The Grammar won't be forgotten but, we promise, there will only be a little bit of it. Lessons will be tightly connected to the program of the day;
- We'll explore Lithuanian traditions and culture by celebrating Joninės, baking bread, and learning a couple of songs and dances;
- We'll experience Lithuanian nature in summer by living in one of the greenest towns in Lithuanian and going on hikes;
- We'll learn to relax and easily get around in the Lithuanian environment, as well as let go of the fear of speaking Lithuanian.

WHO IS IT FOR?

This camp is for *You*, if:

- You know a lot of grammar rules but you're still a bit afraid to speak;
- You don't find a lot of opportunities to talk in Lithuanian;
- You enjoy learning from real situations and live conversations;
- You want to challenge yourself in different speaking environments;
- You want to get to know Lithuania and Lithuanians better.

WHY THIS CAMP?

We truly want to give You the space and the courage to speak Lithuanian.

The camp will be held in a cozy and beautiful town, where you won't have a lot of chances to speak English. The town itself will become our teacher.

Every day we'll be drawn into authentic daily situations, which will allow us to use practical Lithuanian language.
