

DOMAINE VINCENT WENGIER

Petit Chablis White, 2019

VINES

Wine origin : Domaine

LOCATION

The vines are located in the south of the appellation on slopes of 10 to 40%

TERROIR

The vines are located on clay-limestone soil. The subsoil are from the Kimmeridgian, typical of the Chablisian vineyard.

IN THE VINEYARD

Weeding is exclusively mechanical. The summer was dry, the disease pressure was low. The quality of the harvest was exceptional.

Varietals : Chardonnay 100% - **Surface area of the vineyard** : 5 ha - **Age of vines**: 30 years old

VINIFICATION & MATURING

VINIFICATION

After rigorous settling, fermentation alcoholic are made in thermo-regulate stainless still tanks. The fermentation is quite long, about one or two months. Once these are completed, it is the turn of malolactic fermentation.

AGEING

The ageing in stainless steel tanks took a short year on fine lees to give the wine all its roundness and aromatic complexity.

Alcohol content : 13 ABV

SERVING & TASTING

TASTING NOTES

Shiny gold color. Nose with accents of citrus and white fruit, elegant mineral dimension. Generous on the palate, tamed by a delicious fruity freshness. The finish remains fleshy, almost honeyed.

Ageing potential : 2 to 3 years

SERVING

Service temperature is 12 à 14 °C.

FOOD AND WINE PAIRINGS

It will go well with your aperitifs, shellfish and crustaceans.

OUR COMPANY

The Vincent Wengier vineyard is located in the village of Préhy in the heart of the Chablis vineyards.

DOMAINE VINCENT WENGIER

Petit Chablis

White, 2019

Winemaker for three generations, Sophie and Vincent made the 2018 vintage their first bottling. Respectful of good cultural and environmental practices, the estate operates around 25 ha of vines. Spread over 4 appellations, two from Chablisien: Chablis and Petit Chablis, and two from Burgundy: Bourgogne Chardonnay and Bourgogne Aligoté.

The Vincent Wengier vineyard has HVE -high environmental value- certification since 2019 vintage. 2020 is the first year of conversion to vineyard management in organic farming

Environmentally friendly practices (with or without a label)
