

A SENSORY TEA PARTY

You will need:

coloured rice

- take a few scoops of uncooked rice (a great way to use up out of date rice) and add a few drops of food colouring, with a drop of vinegar.
- mix well and spread the colourful rice out on a tray and allow to dry for a few hours
(add more drops for brighter colours)

a tray (small individual or larger tuff tray)

a tea set

cup cake cases (and pompoms for the cherry on top)

role play food

fine minor tools - tweezers, spoons, scoops

other sensory objects such as fabric swatches

take away menus, pots, dolly's etc.

add everything to the tray and let your child's imagination run wild!

(never leave your child unattended)
