President's Report:

Hi All

Thanks to Rob Maitz and Reesy for filling the void left by the cancellation of our guest speaker, I'm sure we all benefited from the Rotary info morning.

This week will be particularly interesting for those of you interested in "beer"! as we have a local home brewer Roger Webb joining our group to enlighten us on pleasures of crafting your own beers. He doesn't use a home brew kit but sources all the ingredients himself from scratch and then sources old and new recipes. Don't forget to ask him about "Beau" his 2.4m long Python.!

I have spoken to Tombie a couple of time over recent days, who has been in hospital with what turned out to be a bad Asthma attack. He is on the mend and should be out of hospital by Wednesday.

Tony Carter was approached by the Frankston RSL to nominate someone from our club to lay a wreath on ANZAC day and Robbie Maitz is going along to fly the club flag (Noely would be very proud). We have a spare spot at the lunch after if anyone wants to join Rob as a guest of the RSL.

The Bunnings BBQ was another successful fundraiser which raised approx. \$2000. Thanks to all those who contributed with their time, its always a great fellowship day and some of the things that you see and hear and the banter between members is not worth missing .

Cheers

Shane

Working with Children Certificates:

Rotary's 4 Way Test:

1. Is it the TRUTH?

2. Is it FAIR to all
concerned?

3. Will it build
GOODWILL &
BETTER FRIEND-
SHIPS?

4. Will it be
BENEFICIAL to all
concerned?

As a Rotarian, we are required to have current Working With Children Certificates. With the formation of our Interact Club at Frankston High, this is more important than ever.

If you received an email from Peter Cracknell on this topic earlier this week, that means you either don't have one, you did and it has expired, or you need to update the club with your details (Certificate # and expiry date).

The email sent to you has the links you need to resolve this, so please action it TODAY!

Updates from the District:

District Governor Mark and Linda are excited to invite you to our District 9820 Mini Conference as we gather in person for the first time in 12 months to celebrate our District.

A friendship break in the foyer where we can socialise over finger food. Conference Dinner and entertainment in the main Hall where you will enjoy time together over a two-course meal, beverages included, while being entertained by our Nossal High School students as they showcase their amazing musical and dance talents.

Venue: Nossal High School: 100 Clyde Rd, Berwick VIC 3806.
