WASH UNITS

KARISMA takes hair washing seriously. Our wash units are designed to offer the ideal solution for various operational and design requirements. They are built in Italy with the best materials to stand the test of time: they use technology to offer the best washing experience.

They allow for easy installation and maintenance. The new generation of hairdresser's wash units enable the increasingly popular Head-SPA services, transforming the hair salon into a wellness centre.

A new way of experiencing hair washing with maximum well-being.

KARISMA FOR THE PLANET

We suggest the use of two accessories to make the salon sustainable. Our systems ensure that less water is wasted and daily water consumption is reduced. This also leads to lower costs.

Choosing to limit water waste is an important choice for the health of our planet and the well-being of future generations.
